Gigaset

The sophisticated DECT handset for professional use.

SL610H PRO

The SL610H PRO is a DECT handset designed for business use. Users benefit from exceptional sound, outstanding range, freedom of movement and multi-tasking convenience. Connectivity via Bluetooth® and mini-USB allows convenient data exchange between the handset and a PC. The SL610H PRO is perfect to use with the Gigaset N510 IP PRO, the N720 DECT IP multicell system, or the Gigaset DX800A all-in-one hybrid desktop phone. It is also compatible with all other Gigaset DECT base stations. Zero-touch installation ensures quick and easy configuration.
